If yes, this permit will be denied and a special use permit will be required to be attached and processed with this application.

All Home Occupation Permits come up periodically for review. I understand that any permit issued on this application will not grant any right or privilege to use any premises described for any purposes prohibited by the Village of Atwood Ordinance. It is further understood that if described business is not in compliance with the home occupation limits listed in Zoning Ordinance Article 12 and a special use permit has not been issued and attached to this permit the proposed home occupation will be considered a violation of Article 12 and will be declared a nuisance. Section 1207 will be acted upon and penalties applied as listed in Article 17 Section 1701. This permit is not transferable.
